Links ECTP with National TP’s

Meeting October 15th

Elżbieta J. Syrda

ECTP – Links meeting, Maastricht - 15th October 2004
Construction *European TP (i)*

- At EU level a key role to reduce the complexity:
  - Set up links & new participation in ECTP
  - Improve the awareness of the ECTP at National level
  - Collaborate for the ECTP, vision 2030, SRA & roadmap
  - Promote the creation of new National TPs (best practices)
  - Disseminate the ECTP Outcome within all MS
  - Involve & represent National authorities in the ECTP
Construction National TP (ii)

- At National level a key role for a real impact:
  - Set up links with regional & local stakeholders
  - Improve the involvement of SME’s (drivers of innovation)
  - Define better a complete list of research needs
  - Implement a dedicated training & education strategy
  - Feedback to ECTP level (ex National Social acceptance…)
  - Identify & involve National/Regional research programme
  - Identify the gaps between National & EU regulations & policies
  - Bring at ECTP level only if there is an EU added value
  - Identify possible National financial support….
Goals for links with ECTP

1. To build ERA for construction from all European countries

2. To build wide participation of all stakeholders and shareholders in construction sector.

3. To exchange the information between ECTP and NP’s

4. To build the connection between RIS (Regional Innovation Strategy) and European Innovation Strategy for construction.

5. To create the connection between National Research Programs and European Research Programs for construction.

6. To create the same high standards for quality of life in each European country.

7. To adopt the ECTP solutions in European countries.

8. To promote ECTP on the national levels

ECTP – Links meeting, Maastricht - 15th October 2004
Goals for NP’s networks

1. To build the European networks for innovation in construction sector
   • Within industry.
   • Of researchers.
   • Within administration/public institutions.
   • Within financial institution.
   • Of users.

2. To build the clusters and groups of interest for European innovation projects.

3. To exchange the experience and the best practice.

4. To create Trans-National Research Program

ECTP – Links meeting, Maastricht - 15th October 2004
WORK DONE

1. Links with 5 existing NP’s:
   - Polish
   - Nederland
   - Spanish
   - Finland
   - UK.

Activities

1. ECTP conference + NP’s workshop.

The goals:

- To establish the interaction, personal contacts between NP’s,
- To exchange the experience,
- To build the best practice,
- To spread the knowledge from ECTP to NP's,
- To promote widely the ECTP (especially in New Members countries),
- To present ECTP’s activities in different countries,
- To give the opportunity for participation in ECTP activities to "other" partners (not working, as we discuss in meeting August 19).
- To present the Strategic Research Agenda on the wide European, construction area.
- To present for EC, that ECTP is ready for JETI.

ECTP – Links meeting, Maastricht - 15th October 2004
2. ERA – NET

Activities development within the ERA – NET scheme consist of the networking of research activities carried out at national or regional level, including their mutual opening and the development and implementation of joint activities.

Call for proposal:

- Data of publication – 17 December 2002.
- Closure data – 02.03.2005.
- Budget – 40 million €.
- Instrument – only CA.
Thank you for attention
